*1-2B: This memo looks fine to me. They obviously want to emphasize the impact of reductions on collection/production programs. Note 1200 deadline.*

STAT

Attached for your review and comment is a draft response on the impact of holding the Agency's 1985 program to 4/8/12 percent below DCI Guidance.

As I mentioned in the Comptroller's meeting yesterday, we have chosen to structure our response in a way that reflects the effect of such cuts on the 1985 recommended program as approved by ExCom, rather than engage in a hypothetical restructuring of our initiatives.

STAT

I would appreciate your comments by noon tomorrow so that we can get it to the IC Staff by the end of the day.
